This agreement for driving instruction is service between **A-Team Driving School** and _____ (parent/guardian) and _____ (student) who reside at _____ (address).

A-Team Driving School will provide 6 hours of driving instruction by a NJ licensed instructor to _____ (student) for the agreed upon fee of **\$385.00**. Upon successful completion, the student will begin behind-the-wheel driving instruction consisting of two (2) three-hour lessons beginning and ending at a time that has been previously scheduled and agreed upon by both parties. The written test may have been completed at the student's high school, where a passing score would result in the receipt of a blue waiver card. If a student does not have his or her waiver card, they must take the written test prior to their first lesson. This can be done either at our office, the student's high school or at any NJDMV testing center.

The vehicle used for instruction will be registered, insured and maintained in accordance to the standards of the NJDMV. The vehicle is equipped with all safety and instructional equipment required according to the standards of NJ NJDMV.

A-Team driving school will have an instructor pick-up the student at either their home or their school, whichever is preferred. A-Team Driving School will also drop-off the student at their home or a previously specified and agreed upon location.

Smoking or other forms of tobacco/alcohol use is not permitted and will result in an immediate cancellation of the lesson without refund. Proper attire must be worn (no flip-flops).

A-Team Driving School reserves the right to refuse, cancel or reschedule any lesson without prior notice if the instructor deems it necessary to do so due to safety, health or any other concerns made at the instructor's or school's discretion.

No refunds will be issued after the student's permit has been purchased by A-Team Driving School. A refund may be issued prior to the purchase of the permit, a \$50.00 processing fee will be charged.
